- Kelsey Campus - Saskatoon
- Palliser Campus - Moose Jaw
- Wascana Campus - Regina
- Woodland Campus - Prince Albert
- Most programs at Palliser, Wascana, Woodland and Kelsey are **FIRST QUALIFIED, FIRST ADMITTED**. This means that students in grade 12 may apply anytime as long as they are registered in the required courses. Students are then placed in an application pool, and are accepted as space comes available. Therefore, the sooner students apply, the better their chances of admission for fall of 2010.
- A few programs are designated as **High Demand Programs** and academic standing will be used as part of the selection criteria. High Demand Programs include: **Applied Photography, Cytotechnology, Medical Laboratory Technology, Combined laboratory and x-ray Technician, Dental hygiene, and Medical Radiologic Technology.**
- Students can apply for high demand programs between **October 15th and February 28th**

Nursing Education (Kelsey or Wascana)

- Nursing is now a combination of University and Technical school courses. It is a competitive entry program where the most qualified applicants are selected. The new application deadline for this program is **January 15th, 2010**. The **documentation deadline is March 15th**
